

Tuition Fees

Option 1

- The tuition and boarding fees cover 12 months on campus with all-inclusive service. It includes six months of contacting hours (lectures) in the first semester, followed by six months of applied project work to complete the Capstone Project, assignments, and dissertation in the second semester on campus.
- An internship certification issued by UNWTO Academy International Centre Switzerland, a prestigious recognition in the tourism industry, will be issued as a complimentary part of this option, enhancing your career prospects.
- Advantage: this option provides a comprehensive package for students, encompassing a year's worth of tuition, tutoring, and full board. This all-inclusive fee ensures that students have everything they need for a successful year of study.
- After twelve months of on-campus study, guided assignment and dissertation, a UNWTO internship certification will also be granted.

Option 2

- In case students leave the campus in the second semester, and go for an internship instead of staying on campus, a CHF 6'000 deduction will be applied (accommodation, meals, and operating costs) in this option, students will have the flexibility to complete their assignments and dissertations online, allowing them to focus on their internship experience.
- Advantage: this option opens up exciting opportunities for students to immerse themselves in the industry. By opting for an internship in semester two, students can enrich their industrial experiences and even compensate for the tuition fees with the salaries of internship jobs. Additionally, salaries of internship job and a saving of CHF6'000 helps for financial situation significantly.
